

SELF SERVICE DROP-IN ASSISTANCE CENTER INFORMATION AND INVITATION

Admissions and Records is hosting live drop-in sessions via zoom for students and staff to get help using Self Service.

WHAT IS SELF SERVICE?

Self Service is the new interface that is replacing WebAdvisor on March 1, 2021. Students will use Self Service to search and register for classes, pay fees, update their profile, and get their unofficial transcript. The Financial Aid Office has been using Self Service for the past 3 years. Current students who receive Financial Aid are already familiar with Self Service.

Zoom Meeting Information:
